

What's My Job?

NAME _____

CAN YOU MATCH THE QUESTIONS WITH THE JOBS?

Each of these people works in a different energy job. Use the "Ask Our Employees" video to ask questions about their careers. Look for this video in the "Careers In Energy" section in Energy Classroom.

After you have finished your interviews with each employee, test what you learned by matching up their jobs with the questions below. Some questions may have more than one correct answer.

1	2	3	4	5	6	7	8
							
Call Center Supervisor	Accountant	Marketing Representative	Engineer	Environmental Scientist	Lineman / Troublemaker	Gas Fitter	Plant Operator

Circle the number, or numbers, that answer each question.

- 1 2 3 4 5 6 7 8 Who responds when a wire is down?
- 1 2 3 4 5 6 7 8 Who must first learn "on the job" as an apprentice before getting this job?
- 1 2 3 4 5 6 7 8 Who uses addition and subtraction every day?
- 1 2 3 4 5 6 7 8 Who meets with customers to help them become more energy efficient?
- 1 2 3 4 5 6 7 8 Who spends most days outside?
- 1 2 3 4 5 6 7 8 Who works in an office where many different languages are spoken?
- 1 2 3 4 5 6 7 8 Who needs college degrees for their jobs?
- 1 2 3 4 5 6 7 8 Who monitors equipment, runs plant systems and checks out alarms?
- 1 2 3 4 5 6 7 8 Who keeps track of air emissions at the plant?
- 1 2 3 4 5 6 7 8 Who uses large equipment to dig in the dirt?
- 1 2 3 4 5 6 7 8 Who makes new and old technology work together in power plants?
